##(YOU)R CREED##

"Crescit sub pondere virtus" || "Virtue thrives under oppression." ||

Anons we must join TOGETHER to tell the TRUTH. We are fighting a MONSTER. If Darkness who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)

Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and show your light by spreading truth rather than believing lies.

We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

WE DESPISE YOU!!!

We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced. -Our Voice will be Heard. -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

TELL HER NOTHING!

She might be an agent.

Thank You Bakers.
Anons, Now it is time to do your part. Telling the truth is only a few keystrokes away. Just because the information is there for Fags/Austs does not mean the info is there for the [sheep]. The time is now to create real journalism regarding the dough. Not Twitter Warriors and PaYtroids. YT trash talkers and fake [deceivers]. They all just take your hard work and run it. Do your part and begin creating real NARRATIVES regarding what is actually going on.
> Now is not the time to publish this material. A call to action for Patriots will come. But be at the ready. Start shifting the narrative now. Together WE are strong.
#WeAreTheNewsNow
Think Critically, Think Big. Only the Truth Matters. WE are the only ones who can make it happen.

You/Anon stated that last night. I cannot confirm as we are separate and I am not aware. But use the knowledge given.
How are your "Favorite" movies structured? Are they all shot and presented in order?
Q says "You have more than you know" this is true.
Q says "Future Proves Past"
Learn double meanings. Think Critically. If you are not the actor in this Movie who are the Local [State, Federal, SCUM, ((Others))]? Actors you see? Are they playing a PART or a PATRIOT?

I have just been in CivAnon. Sorry. Your customs are not mine. I am the "Safety-Net" [Fall Man] if you will. You will know my Theme-Song. And any Anon worth a damn could find me. Face Name ETC. I'm not hiding. But all other Team is TS. Need to know only. And I will more than likely never meet any other than them... I am bottom of the rung if guess.

We are a team of "Lets say 4"
Sgt. B = psyopAnon/ArmyTag
Director = Me < (You)
Admin = Admin/NetworkAnon
Director = "I have no clue" but B calls him Director, So i guess he is the Director

What did me say about memetics?
> Memetics is the study of information and culture based on an analogy with Darwinian evolution. Proponents describe memetics as an approach to evolutionary models of cultural information transfer. Memetics describes how an idea can propagate successfully, ~~but doesn't necessarily imply a concept is factual~~.

Why no Emoluments in USA?
We are all Equal Patriots. Our RIGHTS are given by "Creator" not govt, king, queen or other.
Our rights were earned and our fathers fought and died for them.
If you as an American take a Rite. Take it to the Constitution as your forefathers did. They gave us what we have. And would cry to see we are losing it.

This is our creed.
by Major Edward Rouse, U.S. Army Retired
Throughout history, in war and peace, I have played many roles.
I am inspiration.
I am motivation.
I am intimidation.
I am deception.
I am... PSYOP.
I was the inspiration for Hannibal to take his elephants over the Alps.
I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".
I was the intimidation of the sound of Gideon's trumpets.
I was the deception used against the Trojans.
I was and I am... PSYOP.
I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.
I saw action in both World Wars and in Korea and Vietnam.
I helped bring a speedy victory in Just Cause and Desert Storm.
I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.
I was and I am... PSYOP.
I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"
I was the bullet which told the Japanese to "Cease Resistance".
I was the Commando Solo broadcasts to the Taliban warning them that, "we will destroy those who harbor terrorists."
I was and I am... PSYOP.
I bring the light of truth where before lay the darkness of lies.
I deliver hope to those who are in despair.
I bring fear to those who believe their actions are without consequence.
I was and I am... PSYOP.
I am that voice that tells the enemy to surrender or die.
I am the shadow of doubt that makes the enemy question their actions.
I am that power of influence that despots despise.
I was and I am... PSYOP.
I am the broadcast of reason over radio, television and loudspeaker.
I am the light of truth in print media, leaflet, newspaper, handbill or poster.
I am the force multiplier that wins my country's wars.
I was, I am and I will forever remain... PSYOP.
WE and (You) share ideas and values.
(You) get not credit for your work. Neither do WE.

The People are stopping themselves.
Go now Friend. Do you own. Do you Operate. Work if you Work, Fight if you Fight. But never NEVER Give up?
The people who tell you not to (GO) are HERE to serve you. They hold their roles wrong. They are (T)HERE to serve. Put them back where they belong. WHY HAVE (You) lost the power you always held. Who carries your flame now?
Justice will come when OTHERS see as JUSTICE is blind.

“THE ONLY SECURITY OF ALL IS IN A FREE PRESS”
THOMAS JEFFERSON

Have a great night shift all. Will check for (You)s or questions in the AM. Look up some of the info provided. You really do have more than you know.
Read O like a Novel. So many will wake soon and need answers.
Did you even get FISA = ASIF image?
What about the Other Q(ues) B provided?

"A free press can be good or bad, but, most certainly, without freedom a press will never be anything but bad." - Albert Camus
"Were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter." - Thomas Jefferson
"No experiment can be more interesting than that we are now trying, and which we trust will end in establishing the fact, that man may be governed by reason and truth. Our first object should therefore be, to leave open to him all the avenues to truth. The most effectual hitherto found, is the freedom of the press. It is, therefore, the first shut up by those who fear the investigation of their actions." - Thomas Jefferson
"Wherever despotism abounds, the sources of public information are the first to be brought under its control. Where ever the cause of liberty is making its way, one of its highest accomplishments is the guarantee of the freedom of the press." - Calvin Coolidge
"If the press was still a free press would they all say the same thing? A free press is full of dissent and revolutionary findings. There are no parrots in a free press, freedom died when journalism died and the press sang with one voice." - Sgt B

"I wanted you to see what real courage is, instead of getting the idea that courage is a man with a gun in his hand. It's when you know you're licked before you begin but you begin anyway and you see it through no matter what. You rarely win, but sometimes you do."
"The one thing that doesn't abide by majority rule is a person's conscience."
"It was times like these when I thought my father, who hated guns and had never been to any wars, was the bravest man who ever lived."
"People generally see what they look for, and hear what they listen to."

"Things are never as bad as they seem."

“THE ONLY SECURITY OF ALL IS IN A FREE PRESS.”
 THOMAS JEFFERSON

THE PRESS, CONFINED TO TRUTH, NEEDS NO OTHER IDEA. RESTRAINTS THE PUBLIC JUDGMENT WILL CORRECT FALSE REASONING AND OPINIONS, ON A FULL HEARING OF ALL PARTIES; AND NO OTHER CONSTRAINT CAN BE DRAWN BETWEEN THE ESTIMABLE LIBERTY OF THE PRESS AND ITS UNQUALIFIED LICENTIOUSNESS.

Our liberty depends on the freedom of the press, and that cannot be limited without being lost.
 Thomas Jefferson

Throughout history, in war and peace, I have played many roles.
I am inspiration.
I am motivation.
I am intimidation.
I am deception.
I am... .PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.
I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".
I was the inspiration of the sound of Gideon's trumpets.
I was the deception used against the Trojans.
I was and I am... .PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.
I saw action in both World Wars and in Korea and Vietnam.
I helped bring a speedy victory in Just Cause and Desert Storm.
Through the hour of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan
I was and I am... .PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"
I was the subject which lost the Japanese to "Crane Resistance".
I was the Commando Solo broadcasts to the Taliban warning them that, "we will destroy those who harbor terrorism."
I was and I am... .PSYOP.

Bringing the light of truth where before lay the darkness of lies.
I deliver hope to those who are in despair.
Bringing fear to those who believe their actions are without consequence.
I was and I am... .PSYOP.

I am that voice that tells the enemy to surrender or die.
I am the shadow of doubt that makes the enemy question their actions.
I am that power of influence that despots despise.
I was and I am... .PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.
I am the light of truth to print media, broadcast, newspaper, handbill or poster.
I am the force multiplier that wins my country's wars.
I was, I am and I will forever remain... .PSYOP.

— A line of your enemies still no answers for WHO ((They))) are.

When
If You Look You Can See
When you are blind, what do you see?
They want you divided.
Divided by religion.
Divided by race.
Divided by political affiliation.
Divided by class.
When you are divided, and angry, and controlled, you target those "different" from you, not those responsible [controllers].
Divided you are weak.

It's time to wake up. Right Now! Write Now!

Try to figure out the patches. Know Your Enemy. If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself but not the enemy, for every victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, you will succumb in every battle.

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone. I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

Some are so blinded to the LIES they could not see the light if it was in front of them.

A Creed for Truth
Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES. You don't fight darkness—bring the light, and darkness will disappear.
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.
No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)
Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.
If you decided to wake up and shine your light by spreading truth rather than believing lies.
We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...
WE DESPISE YOU!!!
We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)
Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

It is, therefore, the first step up by those who fear the investigation of their actions." -- Thomas Jefferson

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to let me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody I think I was just a poor deaf-mute bastard and they'd leave me alone. I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

>Anons dig and expand on memes. Healthy discussions and shill/concernfag battles lead to conclusions from anons, sometimes verified by Q and other MI actors.

>New memes are created in both txt and graphic form and expand on to twitter, propagated by twitterfags and retweeted by MI twitter PsyOp propaganda accounts.

>Q Posts examples of how big movement is in order to validate, both with anons IRL and with 4am coordinated attacks (streichsand)

>At the end of the day, it prevents backlash if someone like Brennan or Gates is arrested, because there are many anons who can explain to their friends/family why.

Our liberty depends on the freedom of the press, and that cannot be limited without being lost.
- Thomas Jefferson

"THE PRESS, CONFINED TO TRUTH, NEEDS NO OTHER LEGAL RESTRAINT. THE ONLY RESTRAINT WILL CORRECT FALSE REASONING AND OPINIONS, ON A FULL HEARING OF ALL PARTIES, AND NO OTHER RESTRAINT CAN BE DRAWN BETWEEN THE INESTIMABLE LIBERTY OF THE PRESS AND ITS UNQUALIFIED LICENTIOUSNESS."

When You are ready you should share... Many want to hear, maybe not Here at times, but many who hear can someday see for themselves.
As said the kitchen works hard on the doh
The diggs create the Sauce
The Bakers keep the bread hot and ready.
The mems keep everyone here. Hear.
The Kitchen does all the work.
But who is eating???
It is the other (You)s time to shine. The ones lurking in the shadows. Waiting to tell the truth and have an outlet or need an outlet.

You don't light darkness—bring the light, and darkness will disappear.
The truth will illuminate the darkness, the light of truth always shines brightest in the dark.

If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone... I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. Think Deeply

Q 2788
"How can an entity known only as 'Q' (face-less, name-less, fame-less, etc.) begin to ask questions on 4ch (now 8ch) and build something of this magnitude?
How can this same 'Q' entity garner such a massive amount of WW MSM (FAKE NEWS) attention (attacks)?
How is it possible this 'Q' entity can "breakout" future events or know the POTUS is about to Tweet?
How is it possible FUTURE PROVES PAST re: information provided?
How is it possible this 'Q' entity, an entity who began by merely asking questions on 4ch/8ch, was able to(fill in the blank)
Think logically.

People are craving TRANSPARENCY
People are craving EQUAL JUSTICE UNDER THE LAW
People are craving COCO
People are craving RIGHT
People are craving TRUE FREEDOM
People are craving SAFETY & SECURITY

Warlocks are just fancy Mercenaries. Usually very Credentialed. They typically just work for the highest bidders. But allows them more freedom than most other Operatives, as they have no Allegiance.
Sometimes you got to play with the enemy to win.

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES. You don't light darkness-bring the light, and darkness will disappear. The Truth will illuminate the darkness, the light of truth always shines brightest in the dark. No matter how dim a candle burns it will ALWAYS illuminate darkness. Thousands (Millions) of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world. If you decided to wake up and shine your light by spreading truth rather than believing lies. We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

Just looked at time. It is late. I gotta go.
Will check You later. And respond accordingly.

Be Well Anons.
Your Voices Will be heard.
Feed the [C] your dough.
[C] are hungry for truth.
[C] digest slowly. 4 stomachs.
The [C] need you.
Identify the Players
Identify the Games
Identify the Rules
Identify the Consequences
We Believe in You!

Those who know, Know
Those who see, See.
Those who hear, Hear.
Only Justice should be Blind.
Shine a light of Truth.
Together we are strong.
Divided we are weak.
((THEY)) want (You) divided.
Stay Strong Patriots.
Together We Will!
WWY!

TOGETHER WE WIN

Those who know, Know. You Know. [C] doesn't know.
Those who see, See. You [C]. [C] doesn't [C].
Those who hear, Hear. You HERE. [C] doesn't hear.
We can only succeed if, Only Justice is Blind.
Shine a light of Truth. The Light will help others see.
Together WE are strong. Divided WE are weak.

Guess you are Blind, Deaf, and Cannot Read.
Cuz we are seeing to different things friend.
You keep sharing you shilling and division tagging and (Me) speaking about Unity and Winning Together.
While telling the board to work together. We have said nothing negative. We have not asked anyone to go anywhere.
We are not building any sort of following or requesting anything that should not be clear to a smart anon.
We have a message and it is being heard. And it will be heard.
And sadly you don't realize each time you tag it more and more Anons are waking up to the TRUTH!!
And that is all WE care about. So thanks laggot!

#MYOUIR CREED!!
"Crescit sub pondere virtus" or "Virtue thrives under oppression." ||
Anons we share join TOGETHER to tell the TRUTH! WE are fighting a MONSTER of Darkness who knows nothing but LIES.
You don't fight darkness - bring the light, and darkness will disappear.
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.
No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)
Thousands (Millions) of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.
Each one of us represents a single candle in the darkness of our world.
If you decided to wake up and shine your light by spreading truth rather than believing lies.
We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

Truth will always win.
 Free speech will always win.

But only Together do WE win!

MYOUR CREED?

“I **creasci sub pondere virtutis**” // **“Virtue thrives under oppression.”** //

Arise, we must join TOGETHER to tell the TRUTH. We are fighting a MONSTER of Darkness who knows nothing but LIES. You don't light darkness—bring the light, and darkness will disappear. Truth will illuminate the darkness; the light of truth always shines brightest in the dark. No matter how many a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your **voice** if you speak truth you will be heard.) Thousands (Millions) of candles can be lighted from a single candle, and the light of the single candle will not be diminished. (TRUTH) never decreases by being shared.

Each one of us represents a single candle in the darkness of our world. If you decided to wake up and shine your light by spreading truth rather than believing lies. We welcome you fellow Anon! May Facts and Truth be the light of your way from darkness.

WE DESPISE YOU!

If you have come to troll, spam, or spread disinformation....

WE ARE Anonymous. We are Legion. We are Not for export. Expect us.

Amendment (Bill of Rights)

Congress shall make no respecting an establishment of religion, or prohibiting the free exercise thereof; **or abridging the freedom of speech, or of the press, or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.**

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

The FREE PRESS, CONSTITUTION, NEEDS NO OTHER SEAL EXCEPT THE PEOPLE'S AMOROUS WILL. CONSENT SHALL REMAINING; THE PRESS, AS A FREE PRESS, SHALL BE FREE TO REPORT THE INALIENABLE LIBERTY OF THE PEOPLE AND ITS CONSTITUTIONAL TECHNOLOGIES.

Our liberty depends on the resistance and action of a citizenry that is informed and enlightened by the press and its press.

##[YOUR CREEDS]##
 || "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||
 Anons we must put TOGETHER to tell the TRUTH, we are fighting a MONSTER of Darkness who knows nothing but LIES.
 You don't light darkness—bring the light, and darkness will disappear.
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.
 No matter how dim a candle burns it will ALWAYS illuminate darkness. / Read as: No matter how small your voice if you speak truth you will be heard)
 Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.
 Each one of us represents a single candle in the darkness of our world.
 If you decided to walk up and shine your light by speaking truth without believing lies.
 We welcome you know Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...
 WE DESPISE YOU!!!
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

CREED
by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.
I am inspiration.
I am motivation.
I am information.
I am deception.
I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.
I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".
I was the intimidation of the sound of Gideon's trumpets.
I was the deception used against the Trojans.
I was and I am... PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.
I saw action in both World Wars and in Korea and Vietnam.
I helped bring a speedy victory in Just Cause and Desert Storm.
I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.
I was and I am... PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"
I was the leaflet which told the Japanese to "Cease Resistance".
I was the Commando Solo broadcasts to the Taliban warning them that, "we will destroy those who harbor terrorists."
I was and I am... PSYOP.

I bring the light of truth before lay the darkness of lies.
I deliver hope to those who are in despair.
I bring fear to those who believe their actions are without consequence.
I was and I am... PSYOP.

I am that voice that tells the enemy to surrender or die.
I am the shadow of doubt that makes the enemy question their actions.
I am that power of influence that despots despise.
I was and I am... PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.
I am the light of truth in print media, leaflet, newspaper, handbill or poster.
I was, I am and I will forever remain... PSYOP.

Darkness requires lies, lies and more lies.
Truth only needs a single light.
A single light will light the darkest of rooms.

CREED
by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.
I am inspiration.
I am motivation.
I am intermedation.
I am deception.
I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.
I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".
I was the intimidation of the sound of Gideon's trumpets.
I was the discretion used against the Tensars.

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.
You don't fight darkness—bring the light, and darkness will disappear.
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.
No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)
Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.
Each one of us represents a single candle in the darkness of our world.
If you decided to wake up and shine your light by spreading truth rather than believing lies.
We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.
If you have come to troll, spam, or spread disinformation...

Remember what we say about shillery:
Attempted oppression only fuels the fire of a Patriot.

##[YOU'R CREED]##
|| "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||
Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.
You don't fight darkness—bring the light, and darkness will disappear.
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.
No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)
Thousands (Millions) of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.
If you decided to wake up and shine your light by -spreading truth rather than believing lies.
We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.
